9. Transportation - The drivers are reporting a lot of student discipline issues on bus routes. The principals will be removing students who continue to not follow bus rules that jeopardize the safety of students and drivers. Board members and school administrators have heard concerns from parents about lengthy ride times for students. They have the same concerns parents have about the long ride times but there isn't anything they can do to fix the issue without more drivers. Unfortunately the District went from 16 bus routes last year to 12 bus routes this year due to a lack of drivers.
